Re: Federal citizen complaints & anonymous postings;

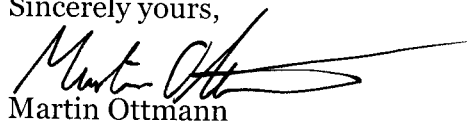

Dear Ms. Geer,

this letter is to inform you that I have received two additional anonymous threats via the Internet on December 31st, 2002 and on January 3rd, 2003.

As a direct response I posted the contents of my citizen complaints on the Internet, together with other documents that are either related to the complaints or to certain activities of the Church of Scientology.

As of today the complaints can be found on four different Internet sites.

Sincerely yours,

Martin Ottmann
